MEETING MINUTES

ADVISORY COMMITTEE ON CONTINUING COMPETENCY

June 05, 2026

Item 1: Call to Order / Roll Call for Confirmation of Quorum

The meeting was called to order by ACCC Chair Krysta Boyd at 8:39 a.m.

Members Present: Krysta Boyd, PT, Chair; Gina McDade, PTA, Board Liaison; Nicole Lopes, PT; Dennis Gutierrez, PT; Meghan Pefley, PT.

Members Absent: None.

Staff Present: Charles Harvey, Executive Director; Deanna Irby, Board Operations Support Specialist

Item 2: Public Comment

Chair Boyd opened the floor to public comment. None was presented.

Item 3: Approval of ACCC Meeting Minutes (For Possible Action) The Committee will review and possibly approve the meeting minutes for prior meetings.

a. April 10th, 2026

Motion: Motion to approve the minutes of the April 10th, 2026 meeting as presented: Member Gina McDade

Second: Member Dennis Gutierrez

Item 4: Board updates from Board Liaison

Board Liaison Gina McDade provided an update regarding the Model Practice Act Committee and the multitude of intriguing topics.

Item 5: Adjustment of Continuing Competency Model (For Possible Action). The Committee will discuss options for inclusion of “Poster Presentations” common in conferences.

The committee discussed an inquiry from APTANV for Poster Presentation and the ability to claim credit for participation. It was determined inconsistent to measure participation and time spent participating, resulting in ineligibility for CEU claim.

For authors and presenters of Poster Presentation, it was determined to potentially be considered a professional activity though uncommon. Discussion of expanding criteria was recommended to be a future Agenda item.

Item 6: Discussion of guidelines for providers regarding disclaimers (For Possible Action). The committee will consider the necessity and approach to a disclaimer regarding the accreditation of courses and the implication of endorsement of views presented by the course and affiliates.

The committee reviewed the ideal language for a disclaimer and concluded the following: “Accreditation of courses does not necessarily imply the Nevada Physical Therapy Board supports the views of the course presenter or the sponsors.”

Implementation of this disclaimer will be visible on the approved course list, under Requirements on the Continuing Competency Model, the Continuing Competency page on ptboard.nv.gov, and where applicable on CeBroker. Providers are encouraged to use the disclaimer but not required.

Motion: Motion to approve the added disclaimer language to the Nevada continuing competency model: Dennis Gutierrez

Second: Meghan Pefley

Board Operations Support Specialist Deanna Irby will meet with CeBroker to determine where it is able to show on the website.

Item 7: Review and Recommendation of new and previously reviewed Continuing Competency Courses (For Possible Action). Approval, Approval with Conditions, and Denials will be discussed.

The Committee reviewed submitted continuing competency course applications. Members were provided the opportunity to evaluate each course, ask questions, and engage in

discussion prior to taking action. Following deliberation, courses were categorized as Denied, Approved with Conditions, or Approved.

Approved Courses

Motion: Motion to approve the remaining courses as presented, with approval through June 6th, 2028: Meghan Pefley

Second: Member Nicole Lopes
